## SCHEDULE 1

### Rationale

The board of directors of AREVA has decided to call the Meeting to vote on the resolutions set out below in connection with a proposed restructuring, more fully described in the letter of the managing director (*directeur général*) of AREVA addressed to the bondholders and contained in the Consent Solicitation Memorandum.

### Text of the resolutions :

#### FIRST RESOLUTION

***Approval of the proposed partial transfer of assets by the Company to New AREVA Holding of all of the assets, rights and obligations relating to Mining, Enrichment/Chemistry and Back End activities (Mines, Enrichissement/Chimie et Aval)***

***and as a result:***

***Acceptance of the benefit of the temporary irrevocable guarantee in the form of a joint and several guarantee (cautionnement solidaire) to be granted by the Company for the benefit of the holders of Notes, which shall enter into force at the date the Transfer is made***

***and***

***Amendment of the terms and conditions of the Notes - Undertaking by New AREVA Holding to publish IFRS-compliant consolidated half-year statements from the half-year period ending 30 June 2017***

1. Approval of the proposed partial transfer of assets by the Company to New AREVA Holding of all of the assets, rights and obligations relating to Mining, Enrichment/Chemistry and Back End activities (Mines, Enrichissement/Chimie et Aval)

The Meeting, deliberating pursuant to Article L.228-65, I 3° of the French *Code de commerce*, noting:

- the report of the Board of Directors;
- the partial transfer agreement established by private deed (*acte sous seing privé*) dated 30 August 2016 between the Company and New AREVA Holding, *Société par Actions Simplifiée* (to be converted into a *Société Anonyme* as specified therein) with share capital of Euro 247,500,000 having its registered office at Tour AREVA 1 Place Jean Millier 92400 Courbevoie, registered on the Nanterre trade and companies register under number 330 956 871 RCS Nanterre (the **Beneficiary Company**) by which the Company transfers to the Beneficiary Company, under demerger (*scission*) regime, and subject to meeting the conditions precedent stipulated in Article 9 of such agreement, all of the assets, rights and obligations relating to the Mining, Enrichment/Chemistry and Back End activities (*Mines, Enrichissement/Chimie et Aval*), as defined in the partial transfer agreement (the **Agreement**), as approved by the Board of Directors of the Company on 29 August 2016;
- the Consent Solicitation Memorandum;

- the draft temporary irrevocable guarantee in the form of a joint and several guarantee (*cautionnement solidaire*) to be granted by the Company for the benefit of the holders of Notes; and
- the Base Prospectus, the supplement(s) to the Base Prospectus, as applicable, and the Final Terms relating to the Notes,

approves, in accordance with Article L.236-18 of the French *Code de commerce*, the Agreement and the partial asset transfer through which the Company transfers to the Beneficiary Company, under demerger (*scission*) regime, and subject to approval by the extraordinary shareholders' general meeting of the Company and the Beneficiary Company, and to its assessment and remuneration and the corresponding capital increase of the Beneficiary Company, all of the assets, rights and obligations relating to Mining, Enrichment/Chemistry and Back End activities (*Mines, Enrichissement/Chimie et Aval*), such as defined in the Agreement (the **Transfer**).

As a result, as from the date on which the Transfer is made, the issuer of the Notes shall cease to be the Company and shall become the Beneficiary Company. Thus, the first sentence of the second paragraph of the preamble to the Terms and Conditions of the Notes shall be amended as follows and any reference to the Issuer in the Terms and Conditions of the Notes shall henceforth refer to New AREVA Holding:

"An agency agreement has been entered into between New AREVA Holding (the **Issuer**), Société Générale as fiscal agent and the other agents named therein (the **Agency Agreement**)."

Further, it is understood that pursuant to the Transfer and the restructuring of the Company as a whole, the obligations relating to the Notes shall be transferred to the Beneficiary Company. Consequently, the restructuring of the Company does not constitute an event of default under Condition 9 (*Events of Default*) of the Terms and Conditions of the Notes, to which the sentence set out at the end of the paragraph below shall be added (*N.B. see the underlined sentence*).

"The Issuer or any Material Subsidiary sells or otherwise disposes of all or substantially all of its assets or ceases or threatens to cease to carry on the whole or substantially all of its business or an order is made or an effective resolution passed for its winding up, dissolution or liquidation, unless such winding up, dissolution, liquidation or disposal is made in connection with a merger, consolidation, reconstruction, amalgamation or other form of combination with or to, any other corporation and in the case of the Issuer the liabilities under the Notes are transferred to and assumed by such other corporation. For the avoidance of doubt, the proposed *apport partiel d'actifs soumis au régime des scissions* (partial transfer of assets carried out under a demerger regime) by AREVA to New AREVA Holding would not, if it were to be consummated, constitute an Event of Default."

2. Temporary irrevocable guarantee in the form of a joint and several guarantee (*cautionnement solidaire*) to be granted by the Company for the benefit of the holders of Notes, which shall enter into force at the date the Transfer is made

As a result of the approval of the Transfer set out in paragraph 1 above, the Meeting, noting the proposed temporary irrevocable guarantee in the form of a joint and several guarantee (*cautionnement solidaire*) (the **Guarantee**) that shall be entered into by the Company for the benefit of the holders of the Notes and that shall enter into force at the date the Transfer is made, decides to have the Guarantee accepted by the representative of the *masse* on behalf of each holder of Notes, making such Guarantee irrevocable beginning on the date of its entry into force and until the date of expiry of the Guarantee.

3. Amendment of the terms and conditions of the Notes - Undertaking by New AREVA Holding to publish IFRS-compliant consolidated half-year statements from the half-year period ending 30 June 2017

As a result of the approval of the Transfer set out in paragraph 1 above, the Terms and Conditions of the Notes are planned to be amended through the addition of a new Condition 16 regarding New AREVA Holding's undertaking to publish IFRS-compliant consolidated half-year statements, to read as follows:

"16 - Half-Year Financial Statements

The Issuer undertakes, in addition to the legal requirement to publish annual financial statements provided by Article L.232-1 of the French *Code de commerce*, to publish IFRS compliant consolidated half-year financial statements within two (2) months of the half-year closing date, this date having been set on the 30 June of each financial year. The publication will occur for the first time in relation to the half-year period ending 30 June 2017. This commitment will remain in force as long as any Notes are outstanding and provided that an equivalent requirement applies pursuant to French law to French commercial companies whose shares are listed on a regulated market of the European Union."

Consequently, Condition 16 of the Terms and Conditions of the Notes entitled "*Governing Law and Jurisdiction*" shall be renumbered Condition 17 "*Governing Law and Jurisdiction*".

The Meeting, noting the draft new Condition 16 of the Notes, resolves, in accordance with the provisions of Article L.228-65 I of the French *Code de Commerce*, to approve the amendment to the Terms and Conditions of the Notes through the addition of the above mentioned Condition 16.

**SECOND RESOLUTION**

***Filing at the Company's registered office of the attendance sheet, the relevant powers of represented holders of Notes and the minutes of the Meeting***

The Meeting, having noted the report of the Board of Directors, decides that the attendance sheet, the relevant powers of represented holders of Notes and the minutes of this Meeting shall be filed at the registered office of the Company.

**THIRD RESOLUTION**

***Powers to carry out formalities***

The Meeting, ruling under the quorum and majority conditions required for meetings of holders of Notes, authorises and grants all powers to the legal representatives of the Company to take all measures and to conclude any agreements, as the case may be, to implement these resolutions, and to the holder of a copy or excerpt of the minutes setting out these resolutions, to perform any legal or administrative formalities.
